SREE DHANYA CONSTRUCTION COMPANY

**40 year old reputation in bridging
people and places together.**

40 years of solid commitment. 600 crore turnover. 3500 kms of unparalleled excellence. 3 reputed awards from the Kerala State Government for quality in construction and before time delivery.

Kerala's largest tendered full date construction company Sree Dhanya, began operations with major highways and bridges. Today, Sree Dhanya is a registered Class A contractor working in association with Kerala PWD and is the most trusted builder in the state.

Quality of construction and before-time delivery is our trade mark, which is an easy job for us as we own a fleet of construction machinery and equipment. We also make substantial investments to meet the growing and changing demands of the day and maintain self reliance, be it man or machine.

- Latest project - Chengannoor - Ettumanoor road
- World Bank Project • The largest project in the recent years in Kerala
- Budget of the project - ₹520 crores • Above 50 kms length
- Includes 10 major bridges • 100 culverts
- 9 major & 312 minor junctions • 87 bus bays

SREE DHANYA CONSTRUCTION L.L.C. , U.A.E.

Sree Dhanya Construction LLC made a mark shortly after it was established in 2005. It undertakes civil works in both public and private sectors. At present, the company enjoys the luxury of an enviable turnover per year.

FIRST PHASE OF 6-LANE ROAD WIDENING TRIVANDRUM – KALIYIKKAVILA STRETCH

One of the much awaited road projects in the state of Kerala is the widening of "29.2 km Trivandrum-Kaliyikkavila stretch which was famous for its traffic snarls. Sree Dhanya Constructions was awarded the contract for constructing the road and the first phase of the project was inaugurated on March 2016. The first phase starting from Karamana to Pravachambalam includes the six lane road, service roads and subway at Nemom. The 5.5 km stretch was widened in 30.2 metres and completed in time bound manner.

An architectural rendering of a modern residential complex. The image shows several tall, multi-story apartment buildings with a unique, stepped design. Each floor has a large, cantilevered balcony with a glass railing. The buildings are constructed with a mix of white and light brown materials. In the foreground, there are lush green trees and a paved walkway. The sky is clear and blue.

SREE DHANYA HOMES

Our next and most prestigious project Sree Dhanya Gardens, is Kerala's largest residential cum commercial apartment to be launched in June 2016. Designed by India's largest architectural firm Edifice Pvt. Ltd, the project includes 1400 residential apartments and more than 1,00,000 sq ft of commercial space. This highly exclusive and most luxurious project is one of a kind in Kerala and has a total estimated area of more than 3 million sq.ft., making it the largest in Kerala. Sree Dhanya started full fledged operations of its real estate division in 1985, with its maiden project Sree Dhanya Castle, the prime luxury apartment project. Four prestigious and major projects namely Haven, Apex, Planet-X and Lake Woods are on the way to completion. Sree Dhanya manages to provide inimitable quality to its projects work with an entire gamut of construction machinery/equipments coupled with man force to ensure quality construction and on time delivery.

SREE DHANYA SIGNAGE SOLUTIONS

One of the major manufacturers and suppliers of sign-boards, road safety equipments in Kerala. Sree Dhanya is the authorized converter of 3M in India, one of the top signage solutions company in United States. We offer total signage solutions and service in road transport service.

FARMS

Initiated in the year 2007 Sree Dhanya Farms is growing towards developing innovative means to tackle the present day challenges in agriculture.

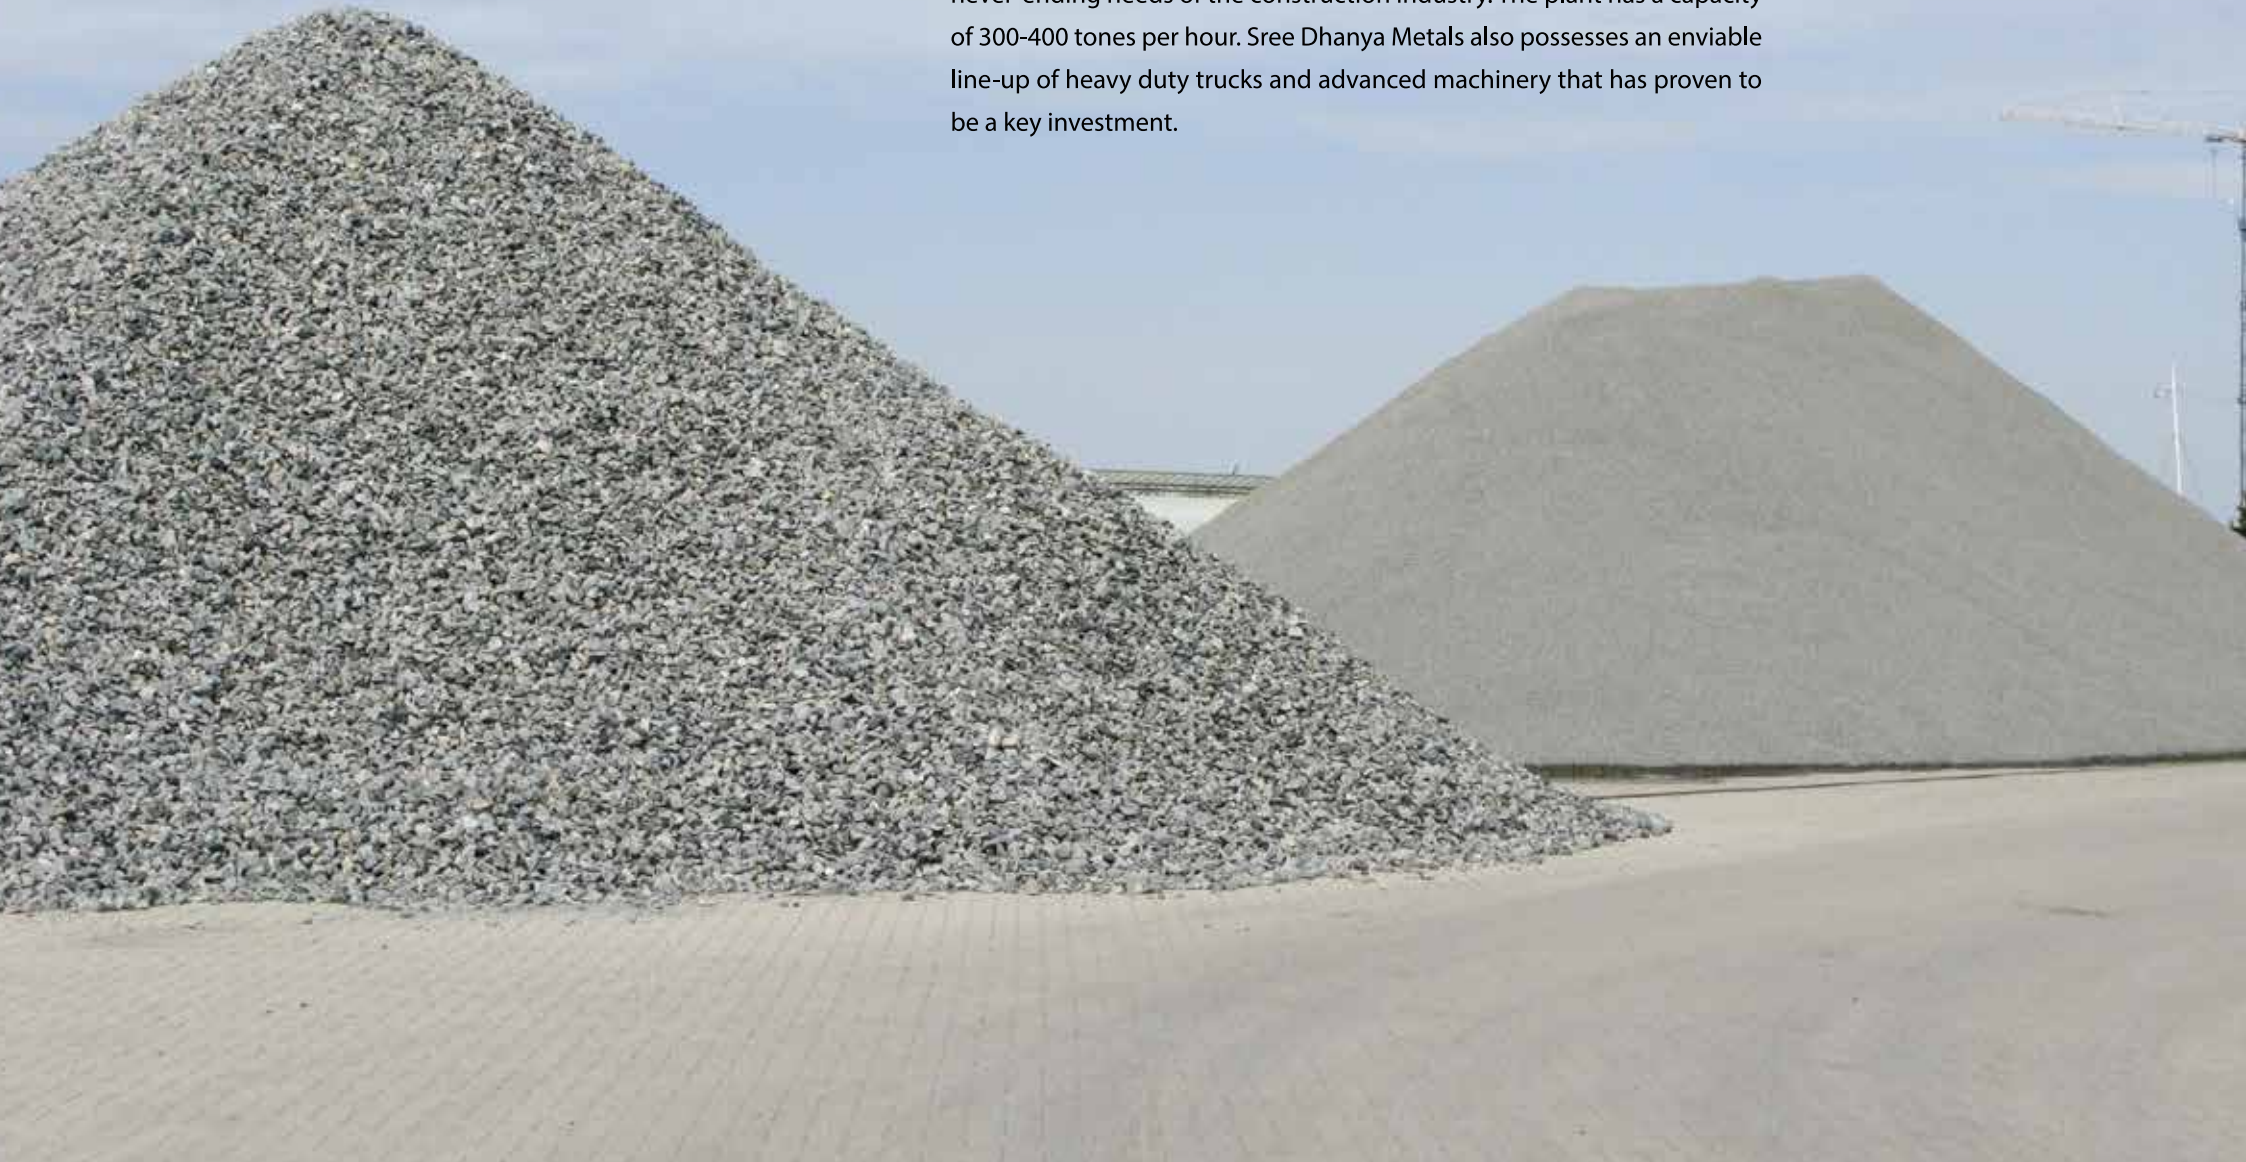

The farm located at the picturesque environs at Akkulam is completely organic and paves way for experimenting latest bio-farming practices. The aim is to nurture a new farming culture.

Organic farming of different varieties of fruits and vegetables being produced and a wide range of crops are getting ready for mass production. Our farm includes Emus, Ducks, Chicken, Geese, Goats, Turkey and fish.

SREE DHANYA METALS

In 2010, thirty five acres of land have been acquired for the installation of a state-of-the-art crusher and M-sand production unit to cater to the never-ending needs of the construction industry. The plant has a capacity of 300-400 tones per hour. Sree Dhanya Metals also possesses an enviable line-up of heavy duty trucks and advanced machinery that has proven to be a key investment.

A low-angle shot looking up at a clear blue sky filled with numerous black graduation caps with blue tassels floating in the air. In the bottom left corner, the arms and hands of graduates in blue gowns are visible, reaching up towards the caps. One hand holds a rolled-up white diploma.

SREE DHANYA Educational Charitable Society

The Charitable Society aims at providing world-class educational infrastructure to shape the future generation. Established in the year 2008, our high tech coaching centre has e-classroom facilities and fully functional state-of-the-art labs for chemistry, physics, biology and I.T. A law college and an Arts & Science College at Shantipuram are among our new projects in this field.

We are associated with Kentucky Fried Chicken
THE WORLD'S SECOND LARGEST
RESTAURANT CHAIN, offering a world-class dining experience.

SREE DHANYA TYRES
